

NTF INTERSQUAD MEET

SUNDAY - OCTOBER 27, 2024 - 2:00 PM - TUDEK PARK

Race, awards, food, raffle, and more! All registered NTF athletes are invited to participate for competition or for fun!

This meet is our traditional milestone in the NTF cross country program. It brings excitement of inter-team competition and serves as end-of-season celebration of our achievements. All NTF Families are invited to come, to cheer, and to take pictures!

Intersquad Flashback 2023

Location and Course: Tudek Park - Meet at the second pavilion near the basketball court. The course will be repeating 1k loop and will include grass, gravel, and dirt trails and follow portions of our "butterfly garden" training loop. (see map on the last page)

Awards: Prizes to top-5 age-group finishers (boys and girls separate). Special prizes to winning team. Season awards. High-Five Awards will be presented to the finalists of the fall 2024 race series.

Team competition: All attending runners will be divided into a few even teams. The teams will race against one another, and the runners on the team with the winning score will get additional small prizes. The runners will score points for their team by placing in their age group (similar to how any cross country teams score in a meet), except that every runner will have a chance to score (not only top 5)!

Registration: Please sign up via [Google Form](#) by October 21st 9 pm (Monday). We absolutely need all runners pre-registered to make team assignments in advance.

Distances and age groups:

For speed sake, we let everyone run shorter distance for Intersquad meet!

Primary (born 2016 and younger) – 1k;
Bantam (born 2014-2015) – 2k;
Midget (born 2012-2013) – 2k;
Youth (2011 and older) – 3k

There will be a common start for all age groups at different starting points and one finish line!

Schedule:

2.00 – Check in
2.15 – Team warmups (jog, stretch, drills)
2.45 – Team meetings and pictures
2.55 – Call to start
3.00 – Races start (joint start for all groups)
3.20 – Snacks and drinks (after finish)
3.30 – Brown-bag raffle
3.50 – Awards

Brown-bag raffle: To organize a brown-bag raffle, we ask every runner to bring any item (no more than \$5 value) which can serve as a prize, packed in a brown lunch bag. Staple the top. No need to sign your name. The bags will be randomly pulled and awarded to all runners by bib numbers. You must bring your bag in order to participate in the raffle.

Post-race refreshments: We will have a sign-up for potluck table to provide food and drinks to runners.

Volunteering: We will need parent volunteers for this event. You can help with check-in, setup/cleanup, directing runners on the course, checking them in at the finish, giving out drinks, and other tasks. Please indicate it on the sign-up form or email Coach Mark if you are available to help.

Course Map - Tudek 1k loop

Primary group will run 1 loop
Bantam group will run 2 loops
Midget group will run 2 loops
Youth and older group will run 3 loops
