

Mid-Atlantic Youth Meet Announcement

USATF <membership@usatf.org>

Thu 6/2/2022 3:24 PM

To: Fedkin, Mark Valentinovich <mvf3@psu.edu>

USATF Mid-Atlantic membership,

It is with great disappointment that the Youth Committee must announce the cancellation of the planned June USATF Mid-Atlantic Association Championship Outdoor Track meet. Our athletes will be able to advance to the USATF Region 2 meet hosted by USATF Three Rivers Association at Slippery Rock University, Slippery Rock, PA July 7-10 using accepted marks (pending verification). The top six individuals and relay teams submissions in each event of each age division will advance to compete in the USATF Region 2 Championships. Meet performance submissions will be approved by the Youth Committee.

Specifics and instructions will be communicated and posted on the Mid-Atlantic website in early June.

Below is a current list of meets athletes can use for qualification.

- 6/14 West Chester Henderson Summer Open Track Meets Presented by Chester County Racing Services Henderson Summer Open Track Meet
- 6/16-6/19 - New Balance Championship High School meet at Franklin Field www.nbnationalsout.com
- 6/23-6/25 - USATF U20 Championships is an auto-qualifier to USATF National Junior Olympics. Athletes who compete at USATF U20 Championships may compete in the Region 2 meet as exhibition athletes (can't displace another athlete into finals) USATF U20 Outdoor Champs
- High School, Jr. High School, AAU and CYO meets used if timed using FAT timing equipment and marks are verifiable
- Other meets may qualify, and some are in the planning process

Information will follow shortly regarding the process and deadline for submitting results, criteria for selection, and date of notification of selected athletes.
