Easy	Moderate	Hard	Extra Hard										

Run description:

Start from the Radio Park school parking lot through the bike path towards campus. At the 'T', turn right, go through the Teaberry circle and continue on the trail around the Golf Course. Stay on trail, do not go onto the field and do not cross any roads.

2 miles into the run, the trail ends at the gravel path on the far side of the golf course. Turn left on the gravel path and run until you reach the little bridge over old Corl St. Right after the bridge, turn left and run on the path along the old Corl St. until you get to Teaberry Circle. From there turn right and come back to Radio Park the same way you started.

This course is a bit long, so for new and younger runners we suggest a shorter version: out to the bridge and back.
