Cross Country Meets

There are a number of youth cross country meets on our schedule that are suited to different ages and levels of experience (see www.ntfx.com/meets). Meets are mainly held on Saturday mornings. Participation in meets is encouraged, but not mandatory.

The club covers all the meet registration fees (if there are any) for NTF athletes.

Registration for the meets is through the Club: we will provide google forms to indicate your interest in participation. Parents are responsible for transportation, accommodation, and supervision of their runners at the meets.

More information about specific meets, Championships, and meet entry requests will be sent out to participants during the season.

National Championship

The Cross Country Coaches Association National Championship will take place at Cedarville, Ohio (Elvin R. King Cross Country Course) on November 21st, 2026. NTF will be building teams for entering in team competition at Nationals. Each squad may consist of 5 to 7 runners in the same age group to run for a team score. Racing as a team creates a special opportunity for athletes to participate in championships and

compete for a common goal. It is also a lot of fun! As the season progresses, coaches will be collecting requests from athletes who want to join NTF for travel to regional and national championships meets.

Middle School Invitationals

NTF runners who are in *7th and 8th grade* are eligible to race at Middle School invitational meets as individuals or teams (up to 8 runners). Teams would score in team competitions. These competitive opportunities allow our athletes to get racing experience at the interscholastic level. Currently there are two middle school invitationals on our calendar:

- ***NEPA Invitational*** – October 3rd, 2026
- ***Lock Haven Middle School Championship*** – October 24, 2026

Sign-ups for the Middle School Racing Teams will be collected during the first week of practice.

Sunday Park Runs

In addition to regular weekday practices at Tudek Park, we will organize group long runs (typically in the 2-5 mile range, depending on athlete age) on Sundays at 3 pm at various parks and trails. Check NTF [Calendar](#) for specific locations and times. A Coach will be present to lead the run. Parent chaperones / volunteers are needed for the younger athletes to participate in these runs.

NTF Intersquad Meet and Season Celebration

NTF Intersquad is our traditional milestone in the NTF cross country program. It brings the excitement of inter-team competition and will serve as end-of-season celebration of our achievements. It is for our team only: we put together four equal teams that compete with one another in the mock competition. After the race, we have refreshments, season awards, and raffle prizes. This is one-of-a-kind event you don't want to miss! All NTF Families are invited to come, help, and cheer on runners. Intersquad Date: 11-1-2026.

Practice checklist:

- Water bottle (put your name on it!)
- Running shoes (best source: Rapid Transit Sports, 115 S. Allen St.)
- Warmup jacket and pants (have warmup layers you can take on and off if chilly)
- Hats and gloves for colder weather
- Personal care items (e.g. inhaler, allergy medicine if you take any)

- Spiked shoes for races on grass / muddy courses – optional! (consult your Coaches)

Apparel Information

There are a few opportunities for cross country athletes to obtain NTF clothing:

1. **Free t-shirt:** All fully registered athletes will receive a long-sleeve NTF cotton t-shirt. Each athlete will receive a shirt in the size indicated on his/her registration form. T-shirts will be ordered in early September. Parents can order additional T-shirts at an extra charge.
2. **Racing uniforms:** All athletes that plan to participate in cross country meets are encouraged to obtain a team uniform (singlet, shorts). The new uniforms are the same for track and cross country, so if you ordered one for track, it will also work for cross country. We also have a limited number of older uniforms to sell at a discounted price.
3. **Vintage items:** Limited number of T-shirts from previous NTF seasons are available for sale at NTF events.

Note: athletes competing in invitationals as members of middle school teams or those racing at national championships must wear official NTF uniforms.
